

Specialty Pharmacy Drug List

Providing one of the broadest offerings of specialty pharmaceuticals in the industry

If you are a plan member or health care provider, please contact Specialty Customer Care toll-free at 1-800-237-2767 or visit www.cvscaremarkspecialtyrx.com.

With nearly 35 years of experience, CVS Caremark Specialty Pharmacy provides quality care and service. We have a network of pharmacies which includes those with Joint Commission and URAC accreditation. The Joint Commission and URAC are nationally-recognized symbols of quality which reflects an organization's commitment to meet high standards of quality and safety.

If you are a plan member or health care provider, please contact Specialty Customer Care toll-free at 1-800-237-2767 or visit www.cvscaremarkspecialtyrx.com.

¹ Lowercase type indicates generic name and availability; lowercase type within parentheses indicates trademark generics listed only when no brand is available; products in all capital letters within parentheses indicate brand-names of generic products.

² Multiple dosage formulations and/or injectable devices are available.

³ Includes progesterone injectable and intravaginal products. Does not include oral dosage forms.

⁴ Call CVS Caremark toll-free at 1-800-237-2767 for specific medications available through CVS Caremark Specialty Pharmacy. Listing is subject to change.

* Indicates Limited Distribution products distributed by CVS Caremark Specialty Pharmacy. Limited Distribution defined as less than 15 pharmacy providers.

Products distributed by CVS Caremark Specialty Pharmacy, as well as products covered by a plan member's prescription or medical benefit plan may change from time to time. In addition, a plan member's specific benefit plan design may not cover certain products or categories, regardless of their appearance on this document.
